DEAR ALUMNI, PARENTS AND MANY FRIENDS,

Greetings in the name of our Lord, Jesus Christ! WE COUNT OURSELVES MOST BLESSED BY THE CONTINUOUS PROVISION of our Heavenly Father through the generous support of each one of you listed among these pages.

Looking through this volume brings to mind the challenging days of late 2012 as we faced the wrath of Hurricane Sandy; specifically I think of coming together in the dark and cold Church to celebrate the Eucharist together - to meet with our Comforter and to be together as a family. I also remember the many hands that came from near and far to serve us - bringing boxes of clothes, food, school supplies and much, much more.

Once the crisis passed, a new wave of dread took over. How would we find our way to recovering from the tremendous damage to five buildings, most especially the 11,000 square feet of destruction in the High School? Yet- day by day, our needs were met by the commitment of our Principal, Sister Kathleen Nace SSJ, the Administrative team, the faculty, parents, alumni and even our students themselves. God used each of you to make a way where there seemed to be no way. For this and the many unseen acts of kindness and selflessness you performed, we remain indebted to you and to Him for the support we received.

Perhaps most importantly, our hearts are also changed. Compassion, determination, collaboration in each of us has been honed by the sharp testing. Our awareness of the suffering of others is more acute because of our own suffering. Living amidst chaos and loss for a short time has made a home in each of our hearts for gratitude and peace for the gifts of living in safety, warmth and in the company of a loving community.

As we celebrate our recovery in the beautifully restored spaces, we enjoy them more fully. Our students seem to shine ever brighter as they embrace their days in our halls, enhanced by the latest technological advances like iPads for each new student, SMART boards in each classroom, state of the art Science Labs and much more.

Although wildly inadequate, I offer to each of you my heartfelt thanks and prayers of blessing for providing St. Rose with these gifts of treasure, prayer and support during a dark time. I invite you to come to St. Rose, enjoy the beauty of this wonderful community and know you will always be a welcome member of our family.

Joyfully in the Lord,

Rev. Msgr. Edward J. Arnister
Pastor
DEAR ST. ROSE FAMILY,

The 2013-2014 year marks a very important milestone in the history of St. Rose High School. Founded in 1923 by the Parish of St. Rose in the tradition of the Sisters of Saint Joseph, this fall marked the 90th anniversary of the school’s opening. DEDICATION TO THE MISSION OF CATHOLIC EDUCATION AND COMMITMENT TO ACADEMIC EXCELLENCE by the Sisters, administrators, faculty and staff is what makes the St. Rose foundation strong and enduring.

While we have faced many changes and challenges over the last 90 years one thing has always remained the same, the mission. St. Rose High School commits to providing students with “prepared hearts and minds to reflect, to judge, and to choose in the light of Christ’s teachings” (SRHS Mission Statement). This past year alone, our Class of 2013 was awarded over $14.8 million dollars in scholarships at the nation’s best colleges and universities, an average of $122,500 per student! Our AP Program enjoyed tremendous success and our students earned national recognition for their efforts: 10 students were named AP Scholars; 4 AP Scholars with Honor; and 3 AP Scholars with Distinction. The 1:1 iPAD program was expanded to include the Class of 2017. Now each freshman and sophomore uses an iPAD for instruction and in almost all subject areas their textbooks are available on the iPAD as well. Our International student program has grown from 7 to 17 students and in this, our 90th year, we will graduate our first international alumni!

That is more than enough to be proud of but we find even greater joy knowing that all of this was accomplished even as our school community faced tremendous hardship in the wake of Superstorm Sandy. In any other community, the losses suffered would surely have marked the end of the school but not at St. Rose. Instead, our students, parents, faculty and alumni rolled up their sleeves and got to work re-establishing our school in just two weeks. In the process we learned that it is not the circumstances that define you, but your response to them; and that there is no tragedy so great that your faith will not see you through. Most importantly we learned that it is not the walls or the buildings that define St. Rose but the spirit of the community.

We are so grateful to families and friends like you that have demonstrated an amazing commitment to our beloved school. It is because of your support that we are able to continue to provide the quality Catholic education that thousands of families have enjoyed for the last 90 years. Without your generosity and willingness to support St. Rose, we would not be able to realize the essential differences that make St. Rose strong.

May God bless you as you have blessed us.

Gratefully,

Sister Kathleen Nace, SSJ
Principal
We are grateful for the generosity of the following individuals and organizations, each of whom made a gift to St. Rose during the 2012-2013 giving year.
Thank you.
1923 LEADERSHIP SOCIETY

The 1923 Leadership Society is comprised of donors who display exceptional commitment to the advancement of the school by virtue of their gifts of $1,000 or more. Named for the year of the founding of St. Rose High School, the society honors those who support the School with an especially strong financial gift and who continue to provide the School with a strong financial foundation.

*Normally we recognize only Annual Fund donors in The 1923 Leadership Society. Due to the extraordinary circumstances of Hurricane Sandy, we are also recognizing Sandy Relief donors in these categories. We are truly grateful for the tremendous generosity of the friends named here.

LEADERS IN FAITH AND SERVICE
At the heart of all we do is an enduring sense of faith and community as a small part of a global Church family. During a normal year at St. Rose, our students would come to understand this community by organizing service trips, fundraising and other student driven support of needs within this family. Hurricane Sandy gave us the extraordinary experience of being the recipient of love and generosity from brothers and sisters in Christ all over the world and thereby learning the same lesson in a most powerful and beautiful way. We are grateful to the following Catholic organizations for their significant investment in our recovery.

SRHS PROFILE:

THE MULLER FAMILY

St. Rose High School was created out of a unifying desire to educate young students with a rigorous education upon a foundation of faith.

As St. Rose has grown over the years, we remained unified in that goal, but grew from a community into a family. In 90 years of service, we have educated generations of families, many dozens of relatives, hundreds of spouses. As our students graduate and move on as alumni into the next chapter of their lives, a piece of them remains with us as much as our investment and training remains in them. The Mullers are one of these families, and we were fortunate to have their eight children as students during the sixties, seventies and eighties, including Mary '66, Joan '68, Kathryn '70, Bernadette '73, Susan '74, Henry '77, Edward '80 and Colleen '81. Tragically, both Kathryn '70 and Edward '80 have passed away in recent years. When Eddie died last November, only days after Hurricane Sandy incurred extensive damage to St. Rose, the Mullers decided to honor his and Kathy’s memory by making a family gift in their honor toward Sandy Relief. The thought of bringing back the life and laughter to the halls of St. Rose, where they had spent so much time as a family, brought hope and healing at a most difficult time. We were honored to be a part of their story both then and now, and continue to remember the Mullers in our prayers.

The aftermath of Hurricane Sandy’s strike in October of 2012 will not soon be forgotten. The devastation to the New Jersey coastline was catastrophic by all accounts, leaving thousands without homes and taking 285 lives.

Belmar suffered tremendously, including shocking damage to St. Rose High School. The lower level of all buildings had up to nine feet of water, 800 pounds of fish and the now infamous turtles swimming in the halls. All Administrative Offices, the Chapel, Cafeteria, seven classrooms, the technology, art and science departments and much more were complete losses. The infrastructure of the electric and HVAC systems were all ruined by salt water that remained in the building for days. With extraordinary leadership and the grace of God, St. Rose High School re-opened the same day as local public schools that sustained no damage. The duration of the school year included modified class locations and the kind cooperation of all on campus as the lower levels remained unusable and under construction. Teams of volunteers worked inside and out to ensure a smooth return to classes and a sense of calm for our students. St. Rose High School received an astounding outpouring of assistance from all over the world, providing not just critical and incredibly generous financial support -- but hope and encouragement when needed most. Our Alumni, Parents of Alumni, Parents, and friends new and old responded quickly and made our complete recovery possible, while illustrating clearer than ever before the beautiful truth of how much of a family the St. Rose community remains, even long after our students leave Seventh Avenue.

The families, students and faculty of St. Rose continue to pray for great blessings on those that ensured a complete and beautiful recovery for our School.

| ANNUAL REPORT OF GIVING 2012-2013 |
In 1999, Pope John Paul II instructed that “those who perceive in themselves this kind of divine spark which is the artistic vocation—as poet, writer, sculptor, architect, musician, actor and so on—feel at the same time the obligation not to waste this talent but to develop it, in order to put it at the service of their neighbor and of humanity as a whole.” This divine spark, highlighted by her service, shines brightly in St. Rose alumna Emily Frost ’12. Emily was devastated by the losses in the wake of Hurricane Sandy particularly those wreaked upon the Art Department. Emily quickly put to work one of her beautiful paintings by creating notecard sets for sale to the local community, the proceeds of which were directed to the restoration of the Art Department. Her compassion and dedication to our cause resulted in over $2,000 raised in support of her alma mater. Thank you Emily!

| ANNUAL REPORT OF GIVING 2012-2013 |
It didn’t take long for Tim to turn things around, he quickly became something of a personality in his class, and was happy to find classmates with like passions for music in Tommy Picardo ’59. During their days at St. Rose, these ’59ers created the music doo wop vocal quintet called The Criterions and spent their weekends performing and in 1959, the group hit the pop charts with “I Remain Truly Yours.” When they needed an additional group member, they held auditions between the Church and Red Brick because of the excellent acoustics. This was an alternative to the boys’ locker room, where they held daily practices with a rapt audience in the girls’ locker room listening through the vents! During his senior year, he produced a tune entitled “Harlem Nocturne” for The Viscounts. The song reached the #3 spot on the Billboard chart in 1959. In 1969, Tim founded the vocal group The Manhattan Transfer, which has gone on to win ten Grammys, and nearly every other accolade possible for a musical group. Tim was also a founding Board member of the Rock and Roll Hall of Fame from 1986-1988. In 1993, he was awarded an Honorary Doctor’s Degree in Music from The Berklee College of Music. In September of 2012, Tim made a visit with his wife Barb, to the Jersey shore for the Class of 1959’s annual reunion. During this visit, the Hausers were able to meet with longtime Manhattan Transfer fan and St. Rose Pastor Monsignor Edward Arnister along with Director of Advancement Coral Butler Brooks for dinner, which lasted into the night and was filled with song, laughter and a rich history of St. Rose in the late fifties. Barely six weeks later, Hurricane Sandy devastated St. Rose. Tim turned on CNN at exactly the moment they were showing film taken in front of Red Brick, reporting on the extensive damage wrought on the School. Tim and Barb, moved to tears, committed to doing all they could to ensure that St. Rose students would be restored back to their school completely.

Over the ensuing month, Tim put together an astounding amount of talent and herculean effort to design and execute a magical “Swingin’ and Singin’: An Evening of Vocalese” for nearly 1,000 in Red Bank’s Count Basie Theater in support of the Fine Arts Department at St. Rose. In addition to the astounding talent of The Manhattan Transfer, it wasn’t too long before the vocalese theme naturally came together, as the Manhattan Transfer brought on the Grammy-winning New York Voices — Darmon Meader, Peter Eldridge, Kim Nazarian, Lauren Kinhan, and the “Father of Vocalese,” Jon Hendricks, 91. The evening was memorable, the music stunning, and the demoralized guests that evening felt hope and a lightness that had seemed to disappear in late October with the arrival of Hurricane Sandy. There were students, faculty, parents and many alumni and fans there to share in the rebuilding effort. The evening was a resounding success with over $40,000 raised for the fine arts department.
